Cumulative GPA Confirmation

To consider and respect as much as our partners' diverse grading system and to meet the qualification of the Hanyang University exchange program, we would like to request a confirmation from the student's home university for the cumulative GPA. There will be a part on the nomination form to confirm that the student's cumulative GPA is over 60% based on home university grading system, and it should be confirmed by the home university coordinator in order for the student to be qualified to apply for the Hanyang exchange program.

The Korean government is mandating all long-term sojourn foreigners to be registered for the National Health Insurance (NHI) since March 2021. Exchange students will be subject to the registration after applying for the Foreign Registration Card. The monthly amount of the NHI will be **approximately 72,000 KRW** from March 2023. Please note that the individual health insurance will be still required, as the NHI will not be valid until the foreign registration card is issued, and it may not cover some unexpected matters related to international students, such as hospitalization and etc. Note those eligible for NHI Registration Exemption can apply for exemption on their own, and further information will be shared later.

5. Academic Information

English Courses

We offer around 500~600 courses in English (Major: 70%, Elective: 30%) per year over various departments. Exchange students are allowed to take courses from different departments **upon availability**. The most up-to-date course list becomes available a month prior to the beginning of semester. Until then, students should refer to the previous year's course list. (e.g. **2023 Fall semester** applicant should refer to **2022 Fall semester** course list). But note course list may differ every year. The previous English-taught course list (<https://bit.ly/42PSdcG>) can be found as linked.

**We accept graduate students, but they are highly required to take undergraduate level (3rd – 4th year) courses, and the number of graduate courses to take can be highly limited.*

Credits and Study Load

1 HYU credit consists of 15 contact hours. (In most cases the conversion to ECTS is “1 Hanyang credit equals 2 ECTS”.) Regular student's study load at Hanyang is 15~18 credits per semester while maximum credits are 20. Exchange students must **take at least one regular course** to maintain their visa.

Course Registration

Before coming to Korea, students will have a chance to register courses online. There are different phases for course registration categorized by their major & year and it works on “first-come, first-served” basis. The specific dates will be sent to students directly through email and uploaded to our website: [Academic Calendar](#) (as of 2023)

Evaluation and Grade

Although the evaluation method may differ based on professor's policy, attendance is always an essential part of the evaluation process. Hanyang does not have re-sit examinations so the final grade inputted into the system cannot be changed. Students can take only one P/F course in one semester and most courses will be in letter grade. Please refer to the below chart for the grade system at Hanyang.

| Letter Grade | Numerical Value | Grade Point |
|--------------|-----------------|-------------|
| A+ | 95-100 | 4.5 |
| A0 | 90-94 | 4.0 |
| B+ | 85-89 | 3.5 |
| B0 | 80-84 | 3.0 |
| C+ | 75-79 | 2.5 |
| C0 | 70-74 | 2.0 |
| D+ | 65-69 | 1.5 |
| D0 | 60-64 | 1.0 |
| F | 0-59 | 0.0 |

Transcript

Transcript becomes available approximately 2~3 weeks after the last day of semester. One (1) digital copy of transcript and two (2) copies of original transcript will be sent to student's home university's coordinator **upon completion of program**. A transcript for students who study at Hanyang for two (2) semesters will be sent to her/his home university **only after the end of 2nd semester**. Extra fees will be charged if students wish to receive additional transcripts of her/his program.

6. Campus Life

Housing

Students can apply for on-campus dormitory and the application will be done separately approximately two (2) months before the semester begins. Housing information can be found from [website](#) (available only in Korean). On-campus dormitory will **NOT be guaranteed** if students do NOT complete housing application or housing fee payment within deadline.

Buddy Program

Buddies are current Hanyang students who volunteer to support new students for their smooth settlement and adjustment into the life and culture in Korea. Representing Korea as a cultural delegation, buddies will interact with new exchange/visiting students throughout the semester and provide them assistance in various areas.

** Application instructions will be shared before the semester starts.*
