

北京大学热烈欢迎各国留学生！
Welcome to Peking University!

Application Instructions for Exchange Students to Peking University

Welcome to participate in the exchange program between Peking University and your university. To make your application more efficient and to avoid misunderstanding about the program, please pay close attention to the following instructions.

Please NOTE that the program is for the **INTERNATIONAL STUDENTS** (a student with a foreign passport) who will exchange through a **university-level bilateral agreement**. If your school/department has additional specific exchange program with its counterpart at Peking University, please make sure which one you prefer to participate in.

Peking University will announce the important notice to you through email. Please check your email regularly. Please also check your Spam/Junk folders just in case our email got delivered there instead of your inbox.

Make sure that your present passport remains valid to year 2023. If it will expire in 2023, please DO apply for a new passport ASAP and send the scanned copy of the new passport's ID page to exchange@pku.edu.cn by May 15, 2023.

Select a School/Department

For General Visiting Students who will take courses:

If you are **not proficient in Chinese**, you have two options:

- (1) Mainly study Chinese (from elementary to advanced levels). At the same time, you may take English-taught courses, if you have such requirement from your home university, of no more than 6 credits in total each semester at other schools/departments (no department/school limit) if the courses and quotas are available. Please select "School of Chinese as a Second Language (对外汉语教育学院)" when completing the online application.
- (2) Or, give up Chinese language learning and only take English-taught courses (no department/school limit), if you have the burden of transferring more than 6 official credits back to your home university. Please select "other schools/departments (专业院系)" when completing the online application

If you are **proficient in Chinese**, you may take undergraduate courses within or outside

of your current major. There is no department/school limit. Please select “other schools/departments (专业院系)” when completing the online application.

NOTES:

(1) It is your responsibility to test your Chinese language proficiency before filling out the Study Plan. You may try PKU MOOC courses online at <http://mooc.pku.edu.cn/mooc/> and test whether you are eligible to take Chinese-taught courses.

(2) There will be NO Chinese Language Placement test at the beginning of the semester. For those who study Chinese at the School of Chinese as a Second Language, language class allocation will depend on the online self-assessment before your arrival and the face-to-face interview upon arrival at PKU.

(3) English-taught master courses of special programs (MBA, Master in International Relations, Master in Public Policy, LLM in Law, Yenching Academy, etc.) are NOT open to university-wide exchange students. Medical Courses from the PKU Health Science Center are NOT open either.

For Senior Visiting Students

You will not follow courses but conduct research under the supervision of your host professor at Peking University.

Course Registration Guide

Only for General Visiting Students who will take courses

- Time: the first three weeks upon registration at Peking University.
- How: You will select courses online 2-3 days before the start of classes. The International Students Division will arrange the undergraduate-course-registration tutorial to help you select courses. In times of the pandemic, course registering guide will be issued in early September.
- Course list:
For Chinese language training courses: Please ask the international office of your home university for the *Information on PKU Chinese Language Courses*, or check it at Website: <http://hy.pku.edu.cn/student/textbook/>.
For undergraduate courses: It will be finalized at the end of last semester, for example, July 2023 for Fall semester 2023.
Website: <http://www.dean.pku.edu.cn/service/web/courseSearch.php>.

Accommodation

Students are required to arrive in Beijing no early than no later than the day of registration (the registration date is written on your admission notification).

On-campus dormitory will be automatically allocated if it has been covered in the exchange agreement between PKU and your university. Please check that with the international office of your home university.

Without dormitory covered by PKU, university-wide exchange students will be offered pre-round on-campus accommodation booking in late June to early July before the official online application opens. Please check your email (including the Spam folder) as frequently as you can.

Medical Insurance

The Chinese Ministry of Education requires that all international students be medically insured throughout their study in China. This policy is crucial to the health, wellness and success of international students.

Peking University international students MUST purchase the Comprehensive Insurance Plan for Foreign Students, which is offered by the Ping An Annuity Insurance Company of China. Please NOTE that students without a valid medical insurance are not allowed to register.

The Comprehensive Insurance Plan for Foreign Students covers hospitalization and medical treatment for accidental injury. You may purchase the medical insurance online (<http://www.lxbx.net>). On the day of registration there will be a 'Ping An Insurance Booth' at the registration site, so you may also purchase your medical insurance on spot. Currently with restricted mobility, students can purchase insurance online shortly before school starts. There will be prior notice.

For more information about the insurance plans offered by Ping An, please visit <http://www.lxbx.net>.

Passport And Visa

Q & A for incoming exchange students to Peking University

Q: Is electrical signature acceptable?

A: No, all documents need to be hand-signed and/or stamped.

Q: Can I send you color-printed documents or personal photo?

A: Strongly not recommended.

Q: What if I do not have a guarantor in China?

A: You can put your home university's contact in that space.

Q: What is the difference between “School of Chinese as a Second Language (对外汉语教育学院)” and “other schools/departments (专业院系)”?

A: The School of Chinese as a Second Language offers Chinese language training courses, which are exclusively for international students who do not speak Chinese well. Other schools/departments offer PKU undergraduate courses (Chinese-taught/English-taught). If you are enrolled in “other schools/departments”, that means (1) your Chinese is good enough for you to select Chinese-taught courses university-wide, or (2) you give up Chinese language learning and only take English-taught courses.

Q: I want to go to “other schools/departments”, but I do not have HSK 6 during application. What can I do?

A: You may test your Chinese language proficiency by trying PKU MOOC courses at <http://mooc.pku.edu.cn/mooc/>.

Q: If I choose “other departments/schools” during application period, can I change it to

Chinese language studies at School of Chinese as a Second Language when I register?

A: No. But if you choose “School of Chinese as a Second Language” during the application period, you may apply to give up Chinese language learning and only take undergraduate courses at other departments/schools. Therefore, if you are not quite sure of your study plan, please select “School of Chinese as a Second Language” during the application period.

Q: Is medical test compulsory?

A: It is connected with the visa you received. Normally X1 visa requires medical test by the Beijing Public Bureau, X2 visa does not.

Q: Can I do the medical test upon arrival?

A: Yes.

Q: I am applying/changing my passport. Can I provide the copy of passport later?

A: Yes, but before May 15.

Q: Do I need to pay deposit money to rent a room?

A: Yes. Usually local agent will charge one month rent as deposit. You may lose the deposit if you want to move out prior notice to the tenancy or you damage the room facilities. It is strongly recommended to check the room before making a decision.

Q: PKU will provide accommodation for me as part of the scholarship, can I arrive at PKU a few days earlier than the day of registration?

A: Yes, but no more than 5 days before day of registration.

Q: I will be in my graduate year, can I still apply for exchange at PKU?

A: NOT recommended. But if you have been nominated, please make sure that you have completed all necessary credits for graduation at your home university before you start exchange at PKU.

Q: I am required by my home university that I must take one certain undergraduate course at PKU, can I be guaranteed to get that course?

A: No. That cannot be guaranteed. The undergraduate course registration system at designated time automatically picks up students, if the course is too popular (applications outnumber the capacity). Please DO make sure that you do not have such compulsory burden before you come to PKU.

Q: I am a law school student who does not speak Chinese, can I take LLM graduate courses from PKU Law School?

A: English-taught graduate courses of special Master programs (MBA, MIR, LLM, MPP, Yenching Academy, etc.) are **NOT** open to exchange students. PKU Law School only offers two English-taught undergraduate courses. If you are a law school student and have the requirement of transferring law school credits back, we cannot guarantee that you get

enough credits.

Q: I am a medicine student, can I take courses from the PKU Health Science Center?

A: No. Courses from the PKU Health Science Center, School of Software and Microelectronics are **NOT** open to exchange students.

Q: I also have Hong Kong citizenship, can I come to PKU with my 回乡证 rather than the passport and visa?

A: **NO.** Nominated exchange students must keep the consistency of his/her nationality at PKU. Once the students apply to PKU with one valid passport, they cannot change it to other passports or Hong Kong citizenship.
