6. Accommodation

Accommodation offer	Corvinus University cannot offer on-campus (dormitory) accommodation, unfortunately. Therefore, it is suggested that students rent a flat or share a rented flat. The International Office provides information and assistance to exchange students on how to rent a flat in the city. There are individual owners as well as real-estate agencies to be contacted. In addition, a group email service is offered for incoming students by which they can contact each other before arrival and find room-mates, flat-mates, or even apartments to rent. Each student is assigned a Hungarian 'buddy', the so-called Tandem partner. Tandem partners may help to find accommodation.

7. Other useful information

Estimated costs of living	Monthly rents range from around EUR 200 – 300 / month, depending on the size and location of the flat and on the number of students sharing it. Health insurance	Students are requested to purchase appropriate health insurance in their home country.
Visa requirements for non-EU/EEA students	Students who are not EU/EEA citizens should contact the relevant Hungarian Consulate/Embassy at least 2 months before the beginning of their studies at the Corvinus University to find out about the visa regulations. As soon as the applications are processed, the International Office sends a Letter of Acceptance to the non-EU/EEA citizens, which may be necessary when applying for a 'visa for residence permit'. The document is generally posted to the home university coordinator. The residence permit for which the visa is issued must be picked up at the Hungarian Immigration Office within 30 days from the first entry into the EU.
Residence permit requirements for EU/EEA students	All EU/EEA citizens studying in Hungary are required to register themselves at the Hungarian Immigration Office and obtain a residence permit within max. 90 days of arrival.
