Company

The company you will work in is a world-leader in developing, manufacturing and distributing prestige perfumes and cosmetics as the exclusive worldwide licensee of many brands

Through its global distribution network, the Company's products are sold in over 120 countries.

Job Description

We are currently seeking a Packaging Development intern for fragrances & hotel amenities, who will report to the Packaging Development Manager as part of our Operations Team in Florence.

Your opportunity

You will be part of our Packaging Development Team and you will be in charge of samples and help product development.

How you will contribute

Support in managing packaging prototyping

Help collect information & research on new development

Help collect product shipping data & share with the company

Manage SAP Master Data and main SAP transactions

Help track changes in the system

Support in product quality management with suppliers

Support during the R&D meeting (internal and with suppliers)

Support planning team in logistic activities (reporting and stock transfer by exception):

- Aggiornamento reportistica Vendite: daily
- Aggiornamento reportistica varia (OOS Report/Cruscotto/MTD Report): weekly/monthly
- Monitoraggio carichi a magazzino: daily
- Monitoraggio scaduti: report SAP/Excel tutti i giorni
- Monitoraggio conferme mancanti: SAP/Excel 1 volta a settimana

Who you are

A university graduate with interest in product development and project management, with passion and curiosity for the world of fragrances and cosmetics.

Very precise and really into details.

Embracing changes, flexible-minded.

A problem solver

A collaborative individual able to build solid relationships with multiple and diverse stakeholders

A great team player, able to engage with teams and colleagues from different functions and levels of the company

Proficient in Microsoft Office (including Excel, Word, PowerPoint, Outlook, ..), SAP, Teams.

Fluent in Italian and English, both spoken and written, with international attitude.

What you will learn

Awareness of production flow and steps.

Experience in packaging manufacturing & cosmetic manufacturing.

Overview on project management, with the great opportunity to be in touch with many company departments & suppliers.

Overview on purchasing & planning activities.
