Welcome week

During one week before start of the semester, a Dutch Basic Language course (15 hours) will be organized in combination with cultural visits in Antwerp. This welcome week is highly recommended for all international students as it will facilitate your integration during your exchange period. If you wish to participate, please make sure to indicate this in your application form.

Semester Dates

Start date	1st semester	2nd semester
Welcome Week	Monday 9 th September 2019 - Thursday 12 th September 2019	Monday 27 th January 2020 – Thursday 30 th January 2020
Welcome day (mandatory)	Friday, 13 th September 2019	Friday, 31 st January 2020
Start of programme	Monday, 16 th September 2019	Monday, 3 rd February 2020
Official end date*	Friday, 31 st January 2019	Friday, 26 th June 2020

** the actual end date of your semester will most likely be earlier. This will be the last day that you will need to be present at the university college/traineeship place (= your last exam/traineeship/supervision date)*

English Language requirements

AP University Of Applied Sciences and Arts Antwerp does not require an English Language proficiency test to be admitted to one of the English programmes for exchange students..

However exchange students are **strongly recommended** to have a level B2 (CEFR - Common European Framework of Reference for languages) to be able to successfully complete their semester at our institution. We advise students to be truthful about their language knowledge as this is in their own interest.

Language requirements can be different for the Royal Academy and Royal Conservatoire.

<https://www.ap.be/royal-academy> and <https://www.ap.be/royal-conservatoire>

Accommodation

International exchange students (Erasmus & other) are offered assistance in finding accommodation by the international office or by the department. After the completion of your registration, we will send you more information on how to look on the private market.

All higher education institutions located within the city of Antwerp in cooperation with GATE15 have developed a databank for student accommodation, called Kotweb, that offers a wide selection of studios and apartments: www.studentkotweb.be

Transcript of Records

Exchange students will receive their transcript of records by e-mail about one month after the study period or traineeship has ended.
