No grade assigned but the students earn the credits.</p> <p>The correspondence between ETCS evaluations and Italian marks is the following: A = 30/30 and 30/30 cum laude B = 28/30 and 29/30 C = 26/30 and 27/30 D = 20/30 - 25/30 E = 18/30 - 19/30 F = Fail < 18/30</p>

Multicultural Tutors

Students speaking the most used languages for international exchanges, help in the early stage of foreign integration in Florence. They combine their subject area expertise with the necessary language and cultural skills to communicate with foreign students in the most common languages and work towards creating self-motivated independent students.

Together with the International Relations Offices of the Schools and the staff from the International Relations Central Area, the multicultural tutors help their peers to adjust to a different environment by providing both academic and non-academic support, give information about university services and city life and offer fully assistance on foreign student general issues.
