Esperienza in generale (città, accomodation, prezzi, servizi, cibo, etc.)

General experience (city, accommodation, prices, services, food, etc.)

Tokyo is the perfect blend of modernity and history. I found living in Tokyo cheaper than in any big Italian city. What turns out to be more expensive are memberships: phone data, gym, and transportation (there is no proper membership for public transit). Accommodation and food stand out for being cheap. Communicating in English can be struggling. The city is extremely clean and safe and public transportation is always punctual.
